

Asus

Swift

Style, power, and lightweight portability are merged perfectly in the Swift 3. Featuring the new 10th Gen Intel Core i5 processor and integrated Intel Wi-Fi 6, the Swift 3 opens more possibilities than ever before via performance, connectivity and entertainment. Combine that with its beautiful 14 Full HD IPS display and up to 11 hours of extra-long battery life, you quickly see why this PC delivers a most-memorable multimedia experience. It's not just a laptop, it's your companion at your side throughout the day to take on whatever the day brings.

Zenbook

The elegant Zenbook is compact, ultrathin and light, featuring the best laptop technology, NanoEdge displays, precision craftsmanship, uncompromising performance, and innovation. It's designed to bring out the very best in you.

Unleash your creative power ASUS ZenBook series gives you the tools to unleash true creativity. Combining ultrafast performance with precision-crafted elegance, ZenBook enables you to maximize your creative potential with no bounds.

Zenbook Pro Duo

ZenBook Pro Duo 15 OLED lets you get things done in style: calmly, efficiently, and with zero fuss. It's your powerful and elegant next-level companion for on-the-go productivity and creativity, featuring an amazing 4K OLED HDR touchscreen. It also includes the ASUS Screen Pad Plus secondary 4K display with a brand-new tilting design that offers effortless ergonomics and seamless workflows. Powered by up to an Intel Core i9 eight-core processor and NVIDIA GeForce RTX 3070 GPU, ZenBook Pro Duo 15 OLED brings you all the benefits of tomorrow's technology, today.

Zenbook Pro

ZenBook Pro 15 is engineered for powerful productivity and primed to help you create, anywhere, any time. The revolutionary ASUS ScreenPad touchscreen puts control right at your fingertips, while the Intel Core i7-10750H processor and NVIDIA GeForce GTX 1650 Ti discrete graphics team up to deliver serious performance.

Zenbook Flip

The distinctively elegant ZenBook Flip 13 has an all-new design that combines ultimate portability with supreme versatility. Its sleek NanoEdge display and 360 ErgoLift hinge make ZenBook Flip 13 extra compact. Combined with the ASUS Pen stylus, the smooth-as-silk touchscreen supports 4096 levels of pressure sensitivity, providing an upgraded experience for casual creativity, note-taking and intuitive editing in any supported app. And the super-slim 13.9 mm chassis houses a wide range of I/O ports, including Thunderbolt 4, for easy connectivity. Its 11th Generation Intel Core processor gives you effortless performance for on-the-go productivity and visual creativity. ZenBook Flip 13 is the versatile and powerful all-rounder that's your perfect business or creative partner.

Vivobook

The VivoBook S features an ultrafast 11th generation Intel Core i5 processor, 8GB RAM, 512GB SSD and 1080p FHD display with 100% sRGB colour gamut. Supported by crystal clear audio co-developed by Harman Kardon and you have the ultimate creative tool all in a super sleek 16 mm profile.

Vivobook

Is it a tablet or is it a laptop? Enjoy the benefits of both with the incredibly versatile VivoBook Flip to make the most out of your side hustle.

Chromebook

For work, home, school and everything in between. With an Intel processor, 14-inch display, stereo speakers tuned by the audio experts at B&O and long battery life, you can knock out any assignment while binge watching your favourite shows.

The Acer Chromebook 314 is a productivity rock star with an immersive 14-inch HD touch display that's designed for working in bright-light conditions. Its thin, light and delivers unmatched value in today's fast-paced, technology-driven world. With a long battery life, a fast Intel CPU and fast Wi-Fi (802.11ac) connection it gets you online in an instant so you can run your favourite Google apps or access your photos, videos, music and documents-all day long.

It also features a Full HD Touch Display, impressive HDR camera, a long-lasting battery life.
