

# Speed Up Slow/Old Computers

Older computers are not necessarily ready for recycling. Quite often a good clean and some maintenance or some tweaks to the programs can speed up your old computer and make it run like a new one.

This can a surprisingly inexpensive and quick way to spruce up an older computer and make it run like new again.

Come in and talk to us about your old electronics. You may be quite pleasantly surprised at the outcome.

Some old computers we will take of your hands and it might even be worth a little cash as a trade in or for a recycleable.
