

# Hewlett Packard

## Pavillion

Everywhere and every way you stream. HP's most compact, mainstream 2-in-1 laptop is built for streaming and getting more done wherever you go.

Enjoy incredible performance in a smaller PC and mind-blowing entertainment with a micro edge screen and Audio by B&O.

Beneath its compact and sleek exterior, you will find all the performance you need to play with confidence and room to expand and upgrade. Power the latest games with smooth and responsive visuals. Discrete graphics ensure this machine easily runs your favourite gaming titles. This sleek, space-saving tower allows you to expand with a robust power supply ready for component upgradeability.

Real-life action demands serious performance and tested durability. The HP Pavilion Desktop PC brings the latest technology and reliability from a trusted brand that protects what matters to you most.

Game Ready. Performance Ready. The thin and powerful HP Platinum Collection Pavilion Gaming Laptops and towers lets you experience high-grade graphics and processing power that meets your gaming and multitasking needs.

## Pavillion Convertible

Power that revolves around you. Streaming, chatting, and getting things done is way more fun when you find your perfect position. Flex, bend and flip from anywhere with a 360 degree hinge and long-lasting battery life.

# All in One Desktop

The HP All-in-One PC blends the power of a desktop with the beauty of a slim, modern display into one dependable device designed to grow with you.

Looking for a powerful All-in-One PC that can easily grow with you? Keeping technology up to date has never been simpler. Designed with a panel you can remove in three simple steps, easily upgrade your hardware to ensure you always have the power to get things done.

Tackle your busiest days with the performance of a reliable processor. Save more of what you love with abundant storage for all your photos, videos and documents.

For 80 years, we've had your back. Trusted by millions of customers, the HP brand puts dependable technology above all else. That's why our PCs go through over 230 individual tests to ensure you're getting a powerful, reliable PC that's going to last.

## Gaming

Powerful graphics

Power the latest games with smooth and responsive visuals. Discrete graphics ensure this machine easily runs your favourite gaming titles.

High-speed performance

Play, create and multitask with a powerful CPU. An enhanced thermal solution keeps your tower cool and quiet even when running demanding games and apps.

Customizable and compact design

This sleek, space-saving tower allows you to expand with a robust power supply ready for component upgradeability. With customizable LED lights you've got the freedom to play your way.

Outstanding 10th Gen Intel® Core™ processor performance easily keeps up with all your multimedia demands. Delivering enhanced 4K display capabilities with HDR support and optional ultra-fast Wi-Fi 6 options, tackle your tasks with no interruptions.

## Omen

Don't bring your desk, this'll be plenty of powerful gaming anywhere.

The HP OMEN Desktop ensures the user can run the latest AAA titles on high-ultra graphics settings smoothly with incredible stunning visuals thanks to an Intel Core i7 8-Core processor and NVIDIA GeForce graphics card backed by 24 GB RAM and DDR4 RAM. It also has a super-fast NVMe M2 Solid-state drive that delivers responsive performance.
