

# Microsoft

Microsoft Corporation is an American multinational technology corporation which produces computer software, consumer electronics, personal computers, and related services. Its best known software products are the Microsoft Windows line of operating systems, the Microsoft Office suite, and the Internet Explorer and Edge web browsers. Its flagship hardware products are the Xbox video game consoles and the Microsoft Surface line-up of touchscreen personal computers

## Surface

Make the most of every day with the sleek style, performance, and all-day battery life you need in the lightest Surface Laptop, all at an exceptional value.

## Surface Pro

Better than ever, the Surface Pro gives you a best-in-class laptop, plus the versatility of a studio and tablet. The stunning PixelSense Display supports Surface Pen (sold separately) and touch, while up to 13.5 hours of battery life gives you plenty of juice to work all day and play all night.

With a new Microsoft SQ 2 chipset, blazing-fast LTE connectivity, our thinnest Surface features two USB-C ports and a stunning, virtually edge-to-edge 13 touchscreen.
